GILDA GULARTE ACCOUNTING SUPERVISOR

I am running for Highland City Council because I have a viable plan needed to improve our city. Through fiscal integrity and sound economic development, we can ensure a healthy and prosperous future for Highland.

As a longtime resident of Highland, my goal is to improve the relationship between the city council and our community. I support small businesses and responsibly planned development. We must change our course now to achieve a sustainable fiscal trajectory that ensures a prosperous future for our children.

We must focus on increasing revenue to avoid future insolvency by attracting and retaining innovative small and medium-sized businesses in expanding industries like renewable energy and technology.

I strongly oppose the Harmony project because it creates long term financial burdens that the next generation of residents will be forced to address.

I can and will stand up for our residents rather than corporate profit. I will put an end to fiscally irresponsible contracts, such as the 20-year trash collection contract and will make sure city contracts are not negotiated in back room deals.

It's time for new leadership in Highland. I would appreciate your support on November 6th. Together we can move Highland forward.

JOHN P. TIMMER MEMBER, HIGHLAND CITY COUNCIL

71

It has been a privilege and I am proud to have served as your current Council Member and as your past Mayor for 5 years. Many accomplishments have taken place during these years, but there is still more to be done.

Retired Firefighter, Battalion Chief – CAL FIRE
U.S. Army 1970-71
Bachelor of Science, Forest Management

We want Highland to continue to be a great place to live, shop, work and raise our families. I support these policies to make that happen: 1) Keep Highland's finances sound by paying as we go and not creating debt. 2) Increase high-quality Police, Paramedic, and Firefighter Services. 3) Fight graffiti and blight. 4) Support Highland's dedicated volunteers, like the Senior Center, Citizen's Patrol, Reserve Police and Firefighters, Youth Sports, Library, Trails and others.

I appreciate your support on November 6.
