

**NOTICE OF PUBLIC HEARING IN CONNECTION WITH THE
CITY OF HIGHLAND REFUSE COLLECTION SERVICE CHARGES**

NOTICE IS HEREBY GIVEN that on **Tuesday, August 14, 2018 at 6:00 p.m.**, or as soon thereafter as the matter may be heard, in the City Hall Donahue Council Chambers, 27215 Base Line, Highland, California, 92346, the City Council of the City of Highland will hold a public hearing to consider increasing the charges for refuse collection services ("Charges"), and collecting the Charges for residential customers on the San Bernardino County ("County") Tax Roll.

INFORMATION ABOUT THE CHARGES

Reason for the Charges and basis upon which the Charges are calculated- The City uses the Charges for the operation and administration of the refuse disposal and recycling program. The City Council has previously determined that the collection of refuse in the City is a service to be performed by private companies, under exclusive franchise agreements. The Charges provide for monthly automated trash, recycling and green waste collection services and represent the amount that the City has negotiated with the Burrtec Waste Industries, Inc. ("Burrtec") for providing such services.

Proposed Increase- The City proposes to increase the Charges effective **September 1, 2018**. The proposed increase represents the additional cost of refuse collection services as negotiated with Burrtec. A complete listing of the current and proposed Charges is set forth below. If you need assistance determining the Charge for your property, you may contact Burrtec by calling (909) 889-1969, or you may contact Melissa Morgan at (909) 864-6861, ext. 230 or by mail or in person at City Hall, 27215 Base Line, Highland, CA, 92346.

Collection of the Charges- Currently, the Charges are billed by Burrtec to the property owner of record. The City Council intends to adopt a resolution authorizing the City to collect the Charges for residential customers on the County Tax Roll. If the City Council adopts such a resolution, beginning with fiscal year 2018-19, the Charges for residential customers will be collected on the County Tax Roll in the same manner, by the same persons, and at the same time as, together with and not separately from the general taxes of the City, and all laws applicable to the levy, collection, and enforcement of general taxes of the City, including, but not limited to, those pertaining to the matters of delinquency, correction, cancellation, refund and redemptions, shall be applicable to the Charges.

WRITTEN REPORT FOR LEVY OF RESIDENTIAL CUSTOMER CHARGES

The City has caused a written report ("Report") to be prepared regarding the levy of the Charges for residential customers for Fiscal Year 2018-19. A copy of the Report will be on file in the office of the City Clerk, City Hall, 27215 Base Line, Highland, CA, 92346 on or about August 6, 2018. The Report contains a description of each residential parcel in the City and the proposed amount of the Charge for each such Parcel for Fiscal Year 2018-19 computed in conformity with the schedule of charges set forth below.
